Praise for The International Encyclopedia of Ethics

“The International Encyclopedia of Ethics is breathtaking in its ambition and scope. This nine-volume masterpiece draws on the expertise of more than 600 authors from 23 countries to present the most comprehensive reference work ever devoted to the field of ethics. The editor, Hugh LaFollette, has done a magnificent job in guiding authors to write entries that will be of great benefit to intelligent laypeople, students, and professionals alike. Each entry offers substantial background and analysis of the topic in question and provides a valuable list of references, cross-references, and suggested readings to guide further research. Every major research institution in the world will need to acquire or have access to it, as philosophers and non-philosophers alike will turn to it again and again for illumination of the many ethical concepts and issues that are so important in our lives. There is simply nothing else like it!”

Larry S. Temkin, Rutgers University

“The International Encyclopedia of Ethics draws on the work of many leading contemporary philosophers to provide an outstanding guide to current thinking about ethics.”

Peter Singer, Princeton University

“With its distinguished international editorial board and contributions from a star-studded cast of authors, the International Encyclopedia of Ethics lives up to its ambitious name. In its nine volumes it is able to cover an impressively broad and comprehensive array of pertinent topics, movements, and figures – Western and non-Western, historical and contemporary, religious and secular, metaethical and normative alike. Bibliographies are generous, cross-references are ample, and entries are both accessibly written and cutting edge. With entries on topics as diverse and wide-ranging as ‘Glass Ceiling’ and ‘Savior Siblings,’ it is not just an indispensable resource for students and scholars, but one that invites the kind of spontaneous browsing that can creatively transform scholarship.”

Jennifer A. Herdt, Yale University

“The International Encyclopedia of Ethics will be a major resource for anyone interested in becoming familiar with the best scholarship on just about any topic in ethics. The editors have done a superb job, and the entries are of the highest quality. Highly recommended.”

John Martin Fischer, University of California, Riverside

Notes on Editors

Editor-in-Chief

Hugh LaFollette is Cole Chair in Ethics at the University of South Florida St. Petersburg. He is the author of three books, most recently *The Practice of Ethics*. He is editor of numerous texts. Currently he is working on the fourth edition of *Ethics in Practice* and the second edition of the *Blackwell Guide to Ethical Theory*. He mainly works on diverse issues in practical and normative ethics.

Associate Editors

John Deigh is Professor of Law and Philosophy at the University of Texas at Austin. He is the author of *The Sources of Moral Agency* (1996), *Emotions, Values, and Law* (2008) and *An Introduction to Ethics* (2010). He was editor of *Ethics* from 1997 to 2008.

Sarah Stroud holds degrees from Harvard University and Princeton University and is Associate Professor of Philosophy at McGill University. She has published widely on topics spanning moral theory, metaethics, moral psychology, and related areas in venues such as *Ethics*, *Philosophy & Public Affairs*, *Philosophy & Phenomenological Research*, *Philosophical Studies*, and the *Stanford Encyclopedia of Philosophy*. She co-edited, with Christine Tappolet, *Weakness of Will and Practical Irrationality* (2003). She is an executive editor of the *Canadian Journal of Philosophy*.

Editorial Board

David Archard is Professor of Philosophy and Public Policy at Lancaster University. He has published extensively in social, political, legal, and applied moral philosophy, especially on the topics of children, family and state, and the law and sexual morality. His most recent book is *The Family: A Liberal Defence* (2010). He is a past honorary chair of the Society for Applied Philosophy.

Marcia Baron is Rudy Professor at Indiana University. She is the author of *Kantian Ethics Almost without Apology* and co-author (with Philip Pettit and Michael Slote) of *Three Methods of Ethics: A Debate*. Her articles include “Excuses, Excuses,” “Self-Defense: The Imminence Requirement,” “Gender Issues in Criminal Law,” and “Kantian Moral Maturity and the Cultivation of Character.”

Tom L. Beauchamp is Professor in the Philosophy Department and Senior Research Scholar at the Kennedy Institute of Ethics, Georgetown University. He has co-authored *Principles of Biomedical Ethics* (6th edn. 2009), *A History and Theory of Informed Consent* (1986), and *Hume and the Problem of Causation*.
He is a general editor of the Clarendon Hume Edition Series, a critical edition of the works of David Hume.

Roger Crisp is Uehiro Fellow and Tutor in Philosophy at St Anne’s College, Oxford, and Professor of Moral Philosophy at the University of Oxford. He is the author of *Mill on Utilitarianism* (1997) and *Reasons and the Good* (2006), and has translated Aristotle’s *Nicomachean Ethics* for Cambridge University Press. He is currently working on a book on Henry Sidgwick’s *Methods of Ethics*.

Garrett Cullity is Hughes Professor of Philosophy at the University of Adelaide. He is the author of *The Moral Demands of Affluence* (2004) and a co-editor (with Berys Gaut) of *Ethics and Practical Reason* (1997).

James Dreier is Professor of Philosophy at Brown University. He is the author of articles on metaethics, including especially expressivism and irrealism, and on practical reason and rationality, as well as some abstract normative theory. He is currently completing a book on metaethics.

Michael Eldridge (d. 2010) taught philosophy at the University of North Carolina-Charlotte and was Treasurer of the Society for the Advancement of American Philosophy (SAAP) for many years. He authored *Transforming Experience: John Dewey’s Cultural Instrumentalism* (1998), and numerous essays on Dewey specifically and pragmatism more generally. The SAAP has established a Michael Eldridge Memorial Fund. In accord with the wishes of his family and in the spirit of Mike’s work, the fund will be for graduate student travel to SAAP and other relevant conferences related to Mike’s work on Dewey, especially Dewey’s social and political philosophy and his ethics. All donations should be directed to the Michael Eldridge Memorial Fund and sent to the SAAP Treasurer, Bill Myers, at Birmingham-Southern College, BSC Box 549013, Birmingham, Alabama 35254. Payments may also be made by credit card with the donation button at the SAAP website (www.american-philosophy.org/donation.htm).

Marilyn Friedman is W. Alton Jones Professor of Philosophy at Vanderbilt University and Professorial Fellow at the Centre for Applied Philosophy and Public Ethics at Charles Sturt University, Australia. She is the author of *What Are Friends For?* (1993) and *Autonomy, Gender, Politics* (2003), and editor of *Women and Citizenship* (2005). Her articles on ethics, political philosophy, and feminism appear in *Ethics*, *Hypatia*, and elsewhere.

Thomas Hurka is Chancellor Henry N. R. Jackman Distinguished Professor of Philosophical Studies at the University of Toronto. He is the author of *Perfectionism* (1993), *Virtue, Vice, and Value* (2001), *The Best Things in Life* (2010) and numerous
articles in moral and political philosophy. He is currently completing a book on British moral philosophy from Henry Sidgwick to W. D. Ross.

Daniel Jacobson is Professor of Philosophy at the University of Michigan. He has written articles on various topics in moral philosophy and aesthetics. He is Project Leader of The Science of Ethics, a collaborative project supported by a grant from the John Templeton Foundation. He is currently working on books on J. S. Mill and, with Justin D’Arms, rational sentimentalism.

Dale Jamieson is Director of Environmental Studies, Professor of Environmental Studies and Philosophy, and Affiliated Professor of Law at New York University. He is the author of Morality’s Progress (2002) and Ethics and the Environment (2008), and co-editor of Climate Ethics (2010) and Reflecting on Nature (2nd ed. 2012). He is currently working on a book on climate change.

Pauline Kleingeld is Professor of Philosophy at the University of Groningen, The Netherlands. She is the author of Kant and Cosmopolitanism: The Philosophical Ideal of World Citizenship (2011) and Fortschritt und Vernunft: Zur Geschichtsphilosophie Kants (1995), and editor of Immanuel Kant, “Toward Perpetual Peace” and Other Writings on Politics, Peace, and History (2006). Her articles focus on themes in ethics, political philosophy, and the work of Immanuel Kant.

Jeff McMahan is Professor of Philosophy at Rutgers University. He is the author of The Ethics of Killing: Problems at the Margins of Life (2002) and Killing in War (2009).

Wlodek Rabinowicz is Professor of Practical Philosophy at Lund University. He has published extensively in moral philosophy, decision theory, and philosophical logic. He is an editor of Theoria and a former editor of Economics and Philosophy. He has been President of the European Society for Analytic Philosophy and Chairman of the Swedish Philosophical Society. His current areas of research are the theory of value and decision theory.

Geoff Sayre-McCord is Morehead Alumni Distinguished Professor at the University of North Carolina at Chapel Hill. He works, and has published widely, in metaethics, moral theory, epistemology, and the history of modern philosophy.

Tamar Schapiro is Associate Professor of Philosophy at Stanford University; she was a 2011–12 Fellow at the Radcliffe Institute for Advanced Study. Her articles on Kantian moral theory have appeared in Ethics, Noûs, and The Journal of Philosophy. She is currently working on a theory of inclination, conceived as a motivational source independent of reason.

William R. Schroeder is Emeritus Professor at the University of Illinois at Urbana-Champaign, where he teaches Continental philosophy. He is the author of Sartre and His Predecessors: The Self and the Other (1984) and Continental Philosophy: A Critical Approach (2004). He was co-editor, with Simon Critchley, of the Blackwell Companion to Continental Philosophy (1999) and has the main responsibility for producing its second edition. He has also written on Nietzsche, film interpretation,
and Hegel, and was a consultant to the director of the film Examined Life. He is working on books on Nietzsche’s ethics and on Scheler’s ethics.

Michael J. Selgelid is Senior Lecturer and Deputy Director of the Centre for Human Bioethics at Monash University, Australia. He co-authored, with Seumas Miller, Ethical and Philosophical Consideration of the Dual-Use Dilemma in the Biological Sciences (2008) and co-edited Ethics and Infectious Disease (2006), Health Rights (2010), and Infectious Disease Ethics (2011).

Sumner B. Twiss is Distinguished Professor of Human Rights, Ethics, and Religion at Florida State University, and Professor Emeritus of Religious Studies at Brown University. He is the co-author or co-editor of seven books and author of more than 50 articles in the areas of comparative ethics, biomedical ethics, philosophy of religion, and intercultural human rights. He is currently working on projects in classical Confucianism and just war, and in the theory and practice of global ethics.

Ralph Wedgwood is Professor of Philosophy at the University of Southern California. He is the author of The Nature of Normativity (2007) and has also written articles on metaethics, ethical theory, epistemology, the theory of practical reason, and the history of ethics. He is currently completing a book on the nature of rationality, covering both rational belief and rational choice.

Christopher Heath Wellman is Professor of Philosophy at Washington University in St. Louis and Professorial Fellow at CAPPE, Charles Sturt University. He works in ethics, specializing in political and legal philosophy. His books include A Liberal Theory of Justice, co-authored with Andrew Altman (2009), and Debating the Ethics of Immigration: Is There a Right to Exclude?, co-authored with Phillip Cole (2011).

Review Board

Christopher Bennett is Senior Lecturer in Philosophy at the University of Sheffield. He is the author of *The Apology Ritual: A Philosophical Theory of Punishment* and is an associate editor of the *Journal of Applied Philosophy*. His current work includes issues concerning the normativity of expressive behavior, and the nature of political authority, particularly the authority of democracy.

Robert Bernasconi is Edwin Erle Sparks Professor of Philosophy at Pennsylvania State University. He is the author two books on Heidegger (1985 and 1993) and of *How to Read Sartre* (2007), as well as of a number of articles on Locke, Kant, Hegel, Levinas, and Fanon. He has also written extensively on the critical philosophy of race and the history of social practices.

Norman E. Bowie is Professor Emeritus at the University of Minnesota where he was formerly Elmer L. Andersen Chair in Corporate Responsibility, holding a joint appointment in the Philosophy Department and the Carlson School of Management. He has written widely on business ethics. His best-known book is *Business Ethics: A Kantian Perspective* (1999).

Jeffrey Brand-Ballard is Associate Professor of Philosophy and Associate Director of the Graduate Program in Philosophy and Social Policy at George Washington University. A licensed attorney, he is the author of *Limits of Legality: The Ethics of Lawless Judging* (2010) and co-edited *Biomedical Ethics* (7th ed. 2010). He was written articles on contractualism, consequentialism, and punishment theory.

Samantha Brennan is Professor of Philosophy, a member of the Rotman Institute of Philosophy, and an affiliate member of the Department of Women’s Studies and Feminist Research at the University of Western Ontario. Her publications fall into three main areas: contemporary moral theory, feminist ethics and political philosophy, and theories of justice for families and children.

Gillian Brock is Associate Professor in Philosophy at the University of Auckland, New Zealand. She works mostly in social and political philosophy and in ethics. She is the author of *Global Justice: A Cosmopolitan Account* (2009) and editor or co-editor of *Necessary Goods: Our Responsibilities to Meet Others’ Needs* (1998), *Current Debates in Global Justice* (2005), *The Political Philosophy of Cosmopolitanism* (2005), and *Global Heath and Global Health Ethics* (2011).

Kimberley Brownlee is Associate Professor of Moral and Legal Philosophy at the University of Warwick. Her research focuses on conscience, disobedience, practical reason, ideals, rights, and the philosophy of punishment. Her publications include “Reasons and Ideals” (*Philosophical Studies*, 2010), “Moral Aspirations and Ideals”

Krister Bykvist is a Fellow and Tutor in Philosophy at Jesus College, Oxford. He is the author of Utilitarianism: A Guide for the Perplexed (2009) and of “Can Unstable Preferences Provide a Stable Standard of Well-Being?” (Economics and Philosophy, 2010). His current research is on prudence, well-being, value theory, and moral uncertainty.

Bradford Cokelet is Assistant Professor of Philosophy at the University of Miami. He has published articles in Ethics and the Journal of Buddhist Ethics and is currently working on a series of articles about virtue and its value.

David Cummiskey is Professor of Philosophy at Bates College. His research interests and publications focus on Kantian ethics, consequentialism, medical ethics, political theory, and comparative studies of Confucian, Buddhist, and Islamic ethics. He is the author of Kantian Consequentialism (1996). He is currently working on cross-cultural approaches to medical ethics and developing an intercultural ethical theory.

Matthew Evans is Associate Professor of Philosophy at the University of Michigan. He has written articles on Plato’s account of the ethical status of pleasure and pain, on Socratic intellectualism, and on the Epicurean justification of friendship.

Cécile Fabre is Professor of Political Philosophy at the University of Oxford and a Fellow of Lincoln College, Oxford. She is the author of Social Rights under the Constitution (2000) and Whose Body is it Anyway? (2006) and has written articles on rights, global distributive justice, and democracy. She is currently completing the first volume of a two-volume research monograph on the ethics of war.

Stephen Finlay is Associate Professor of Philosophy at the University of Southern California. He is the author of a number of journal articles on metaethics and moral psychology. His recent work has focused on the meaning and use of normative language, and he is currently completing a book on this topic titled Confusion of Tongues.
William J. FitzPatrick is Associate Professor of Philosophy at the University of Rochester. His research centers on a defense and development of a robust, non-naturalist ethical realism and externalist theory of practical reasons, along with critiques of neo-Kantian constructivism and of recent appeals to evolution to debunk ethical realism. He has also done work in defense of non-consequentialist normative ethics.

Helen Frowe is Lecturer in Philosophy at the University of Kent. She is the author of *The Ethics of War and Peace: An Introduction* (2011), and has published several articles on the ethics of war and the ethics of self-defense. She is currently completing a book on defensive killing.

Stephen M. Gardiner is Professor of Philosophy and Ben Rabinowitz Professor of Human Dimensions of the Environment at the University of Washington, Seattle. He is the author of *A Perfect Moral Storm: The Ethical Tragedy of Climate Change* (2011), the coordinating co-editor of *Climate Ethics: Essential Readings* (2010), and editor of *Virtue Ethics: Old and New* (2005).

Charles Goodman is Associate Professor of Philosophy and Asian and Asian American Studies at Binghamton University (SUNY). He is the author of *Consequences of Compassion: An Interpretation and Defense of Buddhist Ethics* (2009), and of several articles on Indian and Tibetan Buddhist ethics, epistemology, and metaphysics. He is currently working on an English translation of Shantideva’s *Training Anthology*.

Michael Green is Assistant Professor of Philosophy at Pomona College. He has published papers on David Hume, Thomas Hobbes, and human rights.

Charles Guignon is Professor of Philosophy at the University of South Florida. He has written extensively on Heidegger and is the author of *On Being Authentic* (2004). He has also edited or co-edited a number of books, including *The Good Life* (1999) and two works by Dostoevsky. He is currently co-authoring an introduction to existentialism.

Matthew Hanser is Professor of Philosophy at the University of California, Santa Barbara. He has published on topics in normative ethics, metaethics, and the philosophy of action.

Jennifer Herdt is Gilbert L. Stark Professor of Christian Ethics at Yale University. She is the author of *Religion and Faction in Hume’s Moral Philosophy* (1997) and *Putting On Virtue: The Legacy of the Splendid Vices* (2008). She is currently completing a book on ethical formation from Weimar humanism to contemporary pragmatism.

Paul Hurley is Sexton Professor of Philosophy at Claremont McKenna College, a member of the Claremont Colleges Consortium. He has published articles on a range of topics in ethics, metaethics, and the history of ethics. He is the author of *Beyond Consequentialism* (2009) and is currently at work on a book to be called *Desire, Reason, and Value.*

Agnieszka Jaworska is Associate Professor of Philosophy at the University of California, Riverside. She has published in *Ethics, Philosophy and Public Affairs,* and *Philosophy and Phenomenological Research,* on topics including human agency, the concepts of valuing and caring, and moral status. She is currently working on a book project entitled "Ethical Dilemmas at the Margins of Agency."

Karen Jones is Senior Lecturer in Philosophy at the University of Melbourne. She has written articles on trust, moral epistemology, rationality, and the emotions. Much of her work is from a feminist perspective. She is currently completing a book, *Counting on One Another: A Theory of Trust and Trustworthiness.*

Martin Kavka is Associate Professor in the Department of Religion at Florida State University. He is the author of *Jewish Messianism and the History of Philosophy* (2004), and numerous articles in the field of modern Jewish philosophy. With his colleague Aline Kalbian, he co-edits the *Journal of Religious Ethics.*

Simon Keller is Associate Professor of Philosophy at Victoria University of Wellington. He is the author of *The Limits of Loyalty,* which won the American Philosophical Association Book Prize in 2009, and *Partiality* (2012). He has published widely on topics in ethics, metaphysics, and the history of philosophy.

Jeanette Kennett is Professor of Philosophy at Macquarie University, Sydney. She is the author of *Agency and Responsibility* (2001) and of articles on a range of topics including moral cognition, moral and legal responsibility, autism, psychopathy, addiction, and love and friendship. She is also co-editor of a new collection: *Fashion: Thinking with Style* (2011).

Simon Kirchin is Senior Lecturer in Philosophy at the University of Kent. He is co-editor, with Andrew Fisher, of *Arguing about Metaethics* (2006) and, with Richard
Joyce, of *A World Without Values* (2009). He was written articles on many aspects of metaethics. He is currently completing a monograph on thick concepts, to be called *Thick Evaluation*, and a book on metaethics.

**Anthony Simon Laden** is Professor of Philosophy at the University of Illinois at Chicago, where he has taught since 1996. He is the author of *Reasonably Radical* (2001) and *Reasoning: A Social Picture* (2012), and co-editor, with David Owen, of *Multiculturalism and Political Theory* (2007). His research focuses on reasoning as a social activity, liberalism, democratic theory, feminism, and the politics of identity. He is currently thinking about education and equality.

**S. Matthew Liao** is Associate Professor and Associate Director of the Center for Bioethics at New York University. He has written articles on the epistemic status of intuitions, the basis of human moral status, and the normativity of memory modification. He is currently writing a book on the right of children to be loved.

**Hallvard Lillehammer** is Sidgwick Lecturer, University Senior Lecturer, and Senior Research Fellow at Churchill College, Cambridge. He is the author of *Companions in Guilt: Arguments for Ethical Objectivity* (2007), and co-editor of *Real Metaphysics* (2003) and *Ramsey's Legacy* (2005).

**Kasper Lippert-Rasmussen** is Professor of Political Theory at the University of Aarhus, Denmark. He was written articles on topics such as equality, moral responsibility, deontology, and discrimination which have been published in *Ethics, Philosophy & Public Affairs, Social Theory and Practice*, and *The Journal of Political Philosophy*. He is currently completing a book-length study of discrimination.

**Michelle Mason** is Associate Professor of Philosophy at the University of Minnesota. Her research is in moral philosophy. She has written on contempt as a moral attitude, the relation between aretaic and rational appraisal, and shamelessness, among other topics. Her current work centers on our modes of morally valuing persons and on the connection between a moral and a choice-worthy life.

**William L. McBride** is Arthur G. Hansen Distinguished Professor of Philosophy at Purdue University and the current President of the International Federation of Philosophical Societies (FISP). He is a former President of the North American Society for Social Philosophy. His 20 edited, co-edited, and authored books include *The Philosophy of Marx* (1977), *Sartre’s Political Theory* (1991), and *From Yugoslav Praxis to Global Pathos* (2001).

**David McCabe** is Professor of Philosophy at Colgate University. He is the author of *Modus Vivendi Liberalism: Theory and Practice* (2010) and has published articles on a range of topics in political theory. He is currently working on a book exploring the responses available to the governments of liberal democracies as they face unprecedented threats to their security.
Joan McGregor is Professor of Philosophy at Arizona State University. She has published a book on rape, and numerous articles in legal philosophy, bioethics, environmental ethics, and social and political philosophy. Currently, she is working on the ethics of sustainability.

Sean McKeever is Associate Professor of Philosophy at Davidson College. He is the author, with Michael Ridge, of Principled Ethics: Generalism as a Regulative Ideal (2006).

John McMillan is Associate Professor at Flinders University. He is the author of Consciousness and Intentionality (2001), a co-editor of Responsibility and Psychopathy (2010), The Limits of Consent (2009), Empirical Ethics and Psychiatry (2008), and Principles of Health Care Ethics (2007) He is currently co-authoring, with Adrian Walsh, a book to be called The Methods of Bioethics.

Katie McShane is Assistant Professor of Philosophy at Colorado State University. She is the author of “Why Environmental Ethics Shouldn’t Give Up on Intrinsic Value” (Environmental Ethics, 2007), “Anthropocentrism vs. Nonanthropocentrism: Why Should We Care?” (Environmental Values, 2007), and “Neosentimentalism and Environmental Ethics” (Environmental Ethics, 2011). She was written articles on value theory and environmental ethics. She is currently completing an essay on the nature of awe and respect.

Susan Mendus is Professor of Political Philosophy at the University of York. She is the author of Toleration and the Limits of Liberalism (1989), Impartiality in Moral and Political Philosophy (2002), and Politics and Morality (2009). She has written articles on many topics in modern moral and political philosophy, including toleration, feminism, and multiculturalism. She is currently working on religious toleration.

Thaddeus Metz is Humanities Research Professor at the University of Johannesburg. He has published about 75 papers in moral, political, and legal philosophy, most of which fall under one of three headings: the African ethic of ubuntu, dignity-based approaches to justice, and the meaning of life. His book on the latter topic, Meaning in Life: An Analytic Study, is forthcoming.

Richard B. Miller is Director of the Poynter Center for the Study of Ethics and American Institutions and Professor of Religious Studies at Indiana University. His work addresses religion and public life, political and social ethics, theory and method in religious ethics, and biomedical ethics. He is the author of Interpretations of Conflict: Ethics, Pacifism, and the Just-War Tradition (1991), Casuistry and Modern Ethics: A Poetics of Practical Reasoning (1996), Children, Ethics, and Modern Medicine (2003), and Terror, Religion, and Liberal Thought (2010).

Catherine Mills is the Sesqui Lecturer in Bioethics at the University of Sydney. She is the author of Futures of Reproduction: Bioethics and Biopolitics (2011) and The Philosophy of Agamben (2008). She has also published extensively in feminist theory, bioethics, and political theory. She is currently writing a book to be called Biopolitics: A Critical Introduction.
Christopher W. Morris is Professor of Philosophy at the University of Maryland, College Park. He is the author of *An Essay on the Modern State* (2002) and editor of a number of books on topics in moral and political philosophy. He has written essays on justice, rights, moral standing, contractarian ethics, punishment, legitimacy, sovereignty, imperialism, and nationalism.

Colleen Murphy is Associate Professor of Philosophy at Texas A&M University. She is the author of *A Moral Theory of Political Reconciliation* (2010) and has written articles on the moral dimensions of those disruptions to political communities that arise from war, repression, and natural disasters. She is currently writing a book on transitional justice.

Justin Oakley is Director of Monash University Centre for Human Bioethics. His books include *Morality and the Emotions* (1993) and, with Dean Cocking, *Virtue Ethics and Professional Roles* (2001). He has published articles on friendship and consequentialism, along with other topics in ethical theory and bioethics, and is currently working on the moral significance of genetic parenthood.

Jonas Olson is Docent (Associate Professor) in Practical Philosophy at Stockholm University. He has published extensively on metaethics, value theory, and the history of moral philosophy. He is currently completing a book called *Moral Error Theory: History, Critique, Defence*.

Ingmar Persson is Professor of Practical Philosophy at the University of Gothenburg, and Distinguished Research Fellow at the Oxford Uehiro Centre for Practical Ethics. He has published on applied and normative ethics, and philosophy of mind and action. His is the author of *The Retreat of Reason* (2005) and, with Julian Savulescu, *Unfit for the Future* (2012).

Christian Piller is Senior Lecturer at the University of York. He has published in various journals on issues in moral philosophy and the link between ethics and epistemology. His current research deals with epistemic normativity.

Douglas W. Portmore is Associate Professor of Philosophy at Arizona State University. He is the author of *Commonsense Consequentialism: Wherein Morality Meets Rationality* (2011). His research focuses mainly on morality, rationality, and their interconnections, but he also writes on well-being, posthumous harm, and the non-identity problem. His articles have appeared in journals such as *Noûs*, *Mind*, and *Ethics*.

Igor Primoratz is Emeritus Professor of Philosophy at the Hebrew University in Jerusalem, and Professorial Fellow at the Center for Applied Philosophy and Public...

**George W. Rainbolt** is Professor of Philosophy at Georgia State University. He is the author of *The Concept of Rights* (2010) and *Critical Thinking: The Art of Argument* (2011). He has written articles on topics such as rights, mercy, obligations, and civil forfeiture. He is currently working on rights and social recognition.

**Michael Ridge** is Professor of Philosophy at the University of Edinburgh. He works primarily in metaethics and meta-normative theory, and also in first-order normative theory and on the debate over moral particularism and moral generalism. His current research is focused on a defense of a novel form of meta-normative expressivism which he calls “ecumenical expressivism,” and which is a sort of “hybrid theory.”

**Toni Rønnow-Rasmussen** is Professor of Practical Philosophy at Lund University. He is the author of *Personal Value* (2011) and co-editor of four books in philosophy. He has mainly written articles on value theory and metaethics. Currently he is working on the relation between values and reasons, financed by the Swedish Research Council.

**Ronald L. Sandler** is Associate Professor of Philosophy and Director of the Ethics Institute at Northeastern University. His research is on ethical theory, environmental ethics, and ethics and emerging technologies. He is the author of *Character and Environment* (2007), *Nanotechnology: The Social and Ethical Issues* (2009), and *The Ethics of Species* (2012), as well as co-editor, with Philip Cafaro, of *Environmental Virtue Ethics* (2005) and, with Phaedra Pessullo, of *Environmental Justice and Environmentalism* (2007).

**Sally J. Scholz** is Professor of Philosophy at Villanova University. She has written extensively on violence against women, oppression, solidarity, and related issues in ethics and political theory. Her books include *On de Beauvoir* (2000), *On Rousseau* (2001), *On Feminism* (2004), *The Human Rights of Women* (2005), and *Health Care and the Good Life* (2009).

**Mark Schroeder** is Associate Professor of Philosophy at the University of Southern California. He is the author of Slaves of the Passions (2007), Being For: Evaluating the Semantic Program of Expressivism (2008), and Noncognitivism in Ethics (2010), and his articles in normative ethics, metaethics, and the history of ethics have appeared in many journals. In 2010 his work on expressivism was honored with the APA article prize.

**Michael J. Selgelid** is Senior Lecturer and Director of the Centre for Human Bioethics at Monash University, Melbourne. He co-authored Ethical and Philosophical Consideration of the Dual-Use Dilemma in the Biological Sciences (2008) and co-edited Ethics and Infectious Disease (2006), Health Rights (2010), and Infectious Disease Ethics (2011).

**Ira Singer** is Associate Professor of Philosophy at Hofstra University. He has written articles about Hume’s skepticism and naturalism, free will, and privacy. He is currently working on a book about Hume.

**Anthony Skelton** is Assistant Professor of Philosophy at the University of Western Ontario. He has written articles on Henry Sidgwick, W. D. Ross, ideal utilitarianism, and intuitionism. He is currently working on a book on Sidgwick and an article on what it is to fare well as a child.

**Saul Smilansky** is Professor of Philosophy at the University of Haifa, Israel. He is the author of Free Will and Illusion (2000), 10 Moral Paradoxes (2007), and more than 60 articles in professional journals. He works primarily on the free will problem and on normative ethics, focusing on the odd aspects of morality and life.

**Tom Sorell** is John Ferguson Professor of Global Ethics and Director of the Centre for the Study of Global Ethics, University of Birmingham. He is the author of Moral Theory and Capital Punishment (1987), Business Ethics (with J. Hendry, 1994) and Moral Theory and Anomaly (2000). His next book will be entitled Emergency Ethics and Politics.

**Daniel Star** is Assistant Professor of Philosophy at Boston University. He works on normative reasons, virtue, and ethical knowledge. He has published papers in a number of journals, including Analysis, Ethics, Ratio, and Oxford Studies in Metaethics.

**John J. Stuhr** is Arts and Sciences Distinguished Professor of Philosophy and American Studies and Chair of the Department of Philosophy at Emory University. He is
the author or editor of many books and articles, including *Philosophy and the Reconstruction of Culture* (1993), *Genealogical Pragmatism* (1997), and *Pragmatism, Postmodernism, and the Future of Philosophy* (2002). He is currently completing a book on forgiveness.

**David Sussman** is Associate Professor of Philosophy at the University of Illinois at Urbana–Champaign. He is the author of *The Idea of Humanity* (2001), and has published articles on Kant’s practical philosophy, perverse action, and torture. His current work focuses on the relations between ethical commitment and the ability to engage in or recognize the expression of emotion.

**James Stacey Taylor** is Associate Professor of Philosophy at The College of New Jersey. He is the author of *Stakes and Kidneys* (2005), *Practical Autonomy and Bioethics* (2009), and *Death, Posthumous Harm, and Bioethics* (2012). He has edited anthologies on both autonomy and the metaphysics of death.

**Folke Tersman** is Chair Professor of Practical Philosophy at Uppsala University, Sweden. He is the author of *Moral Disagreement* (2006) and has written papers on topics mainly in metaethics. He is presently focusing on issues relevant to the use of intuitions, both in ethics and in other philosophical areas.

**Suzanne Uniacke** is Reader in Applied Ethics at the University of Hull. She has published widely in moral philosophy, applied ethics, and philosophy of law. Her publications include articles on responsibility and obligation; justification and excuse; self-defense, duress, and provocation; the doctrine of double effect; euthanasia and infanticide; punishment; and the ethics of war.

**Peter Vallentyne** is Florence G. Kline Professor of Philosophy at the University of Missouri. He writes on issues of liberty and equality in the theory of justice – and left-libertarianism in particular. He was associate editor of *Politics, Philosophy, and Economics*, co-editor of *Economics and Philosophy*, and is associate editor of *Ethics*.

**Mark van Roojen** is Professor of Philosophy at the University of Nebraska–Lincoln. He is the author of “Moral Rationalism and Rational Amoralism” (*Ethics*, 2010) and “Expressivism and Irrationality” (*Philosophical Review*, 1996). He has also written articles on various other topics in metaethics and normative ethical theory.

**Adrian Walsh** is Associate Professor at the University of New England in Australia and works in political philosophy and applied ethics. He has written on the morality of commodification, the philosophy of economics, and the philosophy of sport. He is currently interested in questions of philosophical methodology as they pertain to political philosophy.

**David B. Wong** is Beischer Professor of Philosophy at Duke University. He is the author of *Moral Relativity* (1986) and *Natural Moralities* (2006), and co-editor, with Kwong-loi Shun, of *Confucian Ethics: A Comparative Study of Self, Autonomy, and Community* (2004). He has written articles in ethical theory, Chinese and comparative philosophy.

Introduction

What Is Ethics?

Ethics is the study of right and wrong, good and bad, virtue and vice, or, more broadly, an attempt to identify the best way each of us should live. Although this is an adequate initial description of ethics, academic ethics investigates not only these issues, it also engages an interconnected nest of concerns that are, depending on one's perspective, preliminary or ancillary to the aforementioned ones.

Thus, philosophers will attempt to not only specify the best moral principles and identify the central human values, they will also:

- specify the meaning of key ethical terms like “good,” “wrong,” or “virtuous”;
- explore psychological questions about the ways that one might (or might not) develop a sense of right and wrong, good and bad;
- investigate epistemological issues about the ways (if any) that we can know ethical truths or evaluate normative claims;
- debate the metaphysical status of moral claims: do terms like “good” and “bad” really identify features of the world or are they mere fictions?
- ponder specific moral questions, e.g., whether we should pay our taxes, forgive someone who has wronged us, feel guilt for our actions or omissions; when and whether we should abort a fetus; and whether we should ever lie to our parents or friends to protect their fragile psyches.

Aim

In developing the International Encyclopedia of Ethics, our aim was grand: we wanted to produce the most comprehensive, most detailed, and most authoritative single source in ethics. We wanted authors from disparate areas of the world who are recognized authorities in their respective fields. We wanted a reservoir of entries, each of which would be the place that a curious professional, student, or member of the public could go to (a) understand an issue, influential figure, or philosophical age, (b) grasp the range of relevant views on a contentious topic, and (c) provide a succinct authoritative list of references and other readings for the reader who wishes to further pursue the topic, figure, movement, or era. This gives the professional and the student a solid authoritative base for more detailed study; it provides the curious reader a way to identify important ethical issues, movements, and theories, and helps them understand competing accounts of each.

Structure

All entries are listed alphabetically. In addition, at the beginning of the first volume (and as a separate menu in the online version), you will find all the entries catalogued
after a broad set of categories (e.g., religious ethics, normative ethics, professional ethics, etc.). Most entries will be listed multiple times, since most entries attempt to locate their discussion of the particular issue within a wider ethical framework. Consequently, users wanting to explore all entries on some topic will have a natural place to begin their investigations. The final volume of the IEE features a comprehensive index of all critical terms, ideas, theories, movements, eras, and individual thinkers, with a list of all the places these are discussed. The index will quickly guide users to the appropriate entry (usually entries) on the topic of their interest. Finally, each entry includes numerous cross references to related IEE entries. In the electronic version, the cross references are hyperlinked, so that with a simple mouse click, you can move from the entry you are reading to related ones, and then, with the back button or mouse click, you can return to where you started.

Although there is only a single entry on any specific ethical topic, all important topics will be addressed in a variety of entries. For instance, you will find an entry on a specific topic (e.g., “Medical Tourism” or “Particularism”); the same issue will often be mentioned or discussed from some mid-level perspective (say, in terms of global bioethics or deontology); finally, it will normally be at least mentioned in the most general entries (“Bioethics” or “Duty and Obligation”). This will highlight the extensive interconnections between topics. Aspects of each issue are also typically broached (and related to other ethical themes) in entries covering significant individual philosophers (e.g., Plotinus or W. D. Ross or John Rawls) and distinct philosophical eras (e.g., “Medieval Ethics” or “Early Modern Ethics”). Finally, the same or similar issues are usually addressed in entries focusing on religious ethical perspectives (e.g., “Rabbinic Ethics” or “Daoist Ethics”), as well as in entries emerging from distinct philosophical traditions (e.g., Anglo-American or Continental). In short, the combination of the overarching categories, the index, and the cross references will help you quickly uncover numerous distinct and overlapping ways of thinking about and categorizing various concepts, subjects, issues, themes, and eras.

Topics

Given the complexity of the topics and the various approaches different thinkers have taken, you will inevitably find crisscrossing and overlapping discussions of the same or related issues, sometimes approached so differently that it might seem that the authors are asking unrelated questions. Yet beneath the apparent dissimilarities, you will usually find significant commonalities, even if the authors use somewhat different languages and categories. For instance, you might assume that philosophers and religious studies scholars will approach the same topic differently – and they do, to some degree. At the same time, there is often significant overlap; e.g., the essay on Buddhism will discuss themes mentioned in the entries on happiness and suffering. Each usually employs a slightly different language and style. Nonetheless, these differences are not as deep or pervasive as you might initially think.

Likewise, some people will assume that the approaches of analytic and Continental philosophers differ profoundly. Some surely do. But not necessarily all. There are
often differences in terminology and in the ways that the problems are framed. Yet, as with other topics, the overlap is sometimes significant and enlightening. Doubtless, that partly reflects the degree to which the dividing line between analytic and Continental philosophy has become noticeably blurred since the late twentieth century, and the degree to which philosophers primarily schooled in one of these traditions have become increasingly familiar with work from the other.

**Common Sub-Areas of Ethics**

This does not exhaust the categories and distinctions at play. At its inception, the encyclopedia began by employing the philosophical distinctions between meta-, normative, and practical ethics. However, although these distinctions are conceptually serviceable, they are sometimes blurry along the edges – more like a continuum than distinct categories (Kagan 1998: 3). This became apparent when the two associate editors and I sought to segregate entries into these three common categories. More often than I dare count, we disagreed about exactly where certain entries ought to be placed. Some number could plausibly be placed in at least two. Nonetheless, the following is true about these distinctions. Different philosophers are intrigued by different issues; and within these groups of thinkers, some believe that ethical inquiry begins or ends in different places.

Some metaethicists think their issues must be resolved before we can say anything definitive about normative or practical ethics (Smith 1995: 2). In contrast, some normative theorists believe that their domain is the core of all ethical inquiry. They need not think that other perspectives and issues are irrelevant, only that there are the handmaidens of real ethics (normative ethics). For them, meta-theory merely helps clarify some more abstract questions raised by normative theory, while practical ethics is simply the straightforward application of a well-worked-out normative theory. Then there are the practical ethicists, who think that their work is central to ethics. It is, in the words of one of the authors of a major entry, the place where all the conceptually “heavy lifting” is done. On their view, normative ethics is an attempt to systemize the lessons learned from well-executed practical ethics, while metaethics is a more abstract attempt to resolve practical ethical issues.

Nonetheless, the distinctions, even if not rigid, are conceptually important, and they mark out an important method we used to divvy up the work on this massive project.

**Implementation**

Deciding which topics to cover, and whom to ask to write each entry, were our first tasks. Trying to cover such a large topic from such a wide array of perspectives was far beyond any one person’s ken. In the early days of the project, I recruited two associate editors; together we selected a world-class editorial board of 23 academics. Initially, I devised a list of more than 200 topics that I assumed had to be covered in
the encyclopedia. We sent this list to members of the editorial board and asked them to propose authors for these topics, and also to suggest additional topics they thought we should include. Since many of these suggestions were similar, but were described slightly differently, we found that narrowing our list of topics was a major – at times seemingly insurmountable – hurdle.

We sent the compiled results back to the editorial board. We asked them to prune what they thought were unnecessary topics and add others they thought we had missed. As before, we wanted them to suggest authors whom we should invite to write the entries. One associate editor (Sarah Stroud) oversaw the topics and authors in metaethics; the other (John Deigh), those in normative ethics. In addition to serving as editor-in-chief, I also oversaw entries in practical ethics. Finally, one member of the editorial board was specifically charged with proposing topics, authors, and reviewers in religious ethics, while another did the same for Continental ethics.

Before finalizing the tentative list, I made a general appeal on various philosophical internet lists, asking people for suggestions of topics and authors. As you might expect, we did not take up all these suggestions – some were tangential and some were otherwise covered. However, we did follow up on some of them. Finally, while some authors were writing their entries and examining the list of topics to include in their cross references, they made suggestions for still other entries, some of which we took on board.

My hope was that this multilayered process would help us identify all the relevant topics (or perhaps, more precisely, not to omit too many topics we should have included), and to identify the ideal authors for each. There were some topics for which we did have some trouble isolating willing authors. Nonetheless, for well over half the entries, our first choice agreed to write the entry; many others were authored by our second choice; in numerous cases, we had a wealth of possible authors, any one of whom we would have been delighted to pursue.

However, it is not enough to have the right topics and the right authors. Even the most astute and most careful authors make mistakes. So we set up a rigorous blind review process for all entries. Every entry was blind reviewed by a member of our distinguished review board. Each was then reviewed by me or an associate editor. Nearly every entry required at least some changes. Many required fairly extensive changes. Some, we had to ultimately reject.

The rigorous review process definitely enhances the quality, relevance, and accessibility of the entries. As a result, this is not only the most extensive single source on ethics, it should also include the most carefully crafted and vetted entries.

Future Development

Of course, no matter how rigorous the initial process, we have surely omitted some topics that should have been included, and no matter how careful our review process, some entries will not be as strong as others; finally, some entries can easily become dated given new developments in the field.
However, the *International Encyclopedia of Ethics* has an enormous advantage over other ethics resources. Although the printed version will likely not be superseded for the best part of a decade, it will be published simultaneously in electronic form. The electronic version will include extensive hyperlinks between related entries; the online version will be updated regularly and will eventually include hyperlinks to other essays in the *Blackwell Companions, Guides*, and other resources. We currently plan to update the online version annually. The updates will include new entries, in some cases, and occasionally replacements for existing entries; it will also be easier for existing authors to update their entries. Some updates may be relatively minor, e.g., listing of newer sources. Others may be more substantial, say, an extensive discussion of some new book or argument.

Our aspiration is that this will quickly become widely recognized as the best single source reference book in ethics. Given the quality of the authors, editorial board, and review board, this borders on the inevitable. Since the *IEE* will be updated annually, it not only will be the best resource, it will continue to be so into the foreseeable future.

REFERENCES

I thank my co-editors – John Deigh and Sarah Stroud – for their superb work in shaping and producing this encyclopedia.

I thank the members of the Editorial Board for their sage advice. I especially appreciate those members who went way beyond the extra mile in assisting us: Marilyn Friedman, Marcia Baron, Tamar Schapiro, Russ Shafer-Landau, Mark Timmons, and David Archard.

I thank the members of the Review Board for their care and insight in helping improve the entries. I especially thank Thaddeus Metz for his extensive and scrupulous work as a reviewer.

I am indebted to Jeff Dean, Wiley-Blackwell philosophy editor, for encouraging (and occasionally enduring) me and, especially, for interceding on my behalf when it was necessary.

Finally, I thank my wife Eva LaFollette for not only doing so much drudge work, but for enduring my foul moods when things misfired – as they inevitably do with such a massive project.
